BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the matter of Registration No. 3,602,009
For the Mark: Pineridge Coach Works
Date registered: April 7, 2009
Registrant: Michael James, LLC (Florida Limited Liability Company)

PINE RIDGE IMPORTS OF NAPLES, INC.
Petitioner,

v.

MICHAEL JAMES, LLC,
Respondent.

Cancellation No. _____

PETITION TO CANCEL

Petitioner, Pine Ridge Imports of Naples, Inc., a Florida corporation located and doing business at 5340 Jaeger Road, Naples, Florida 34109, believes that it is or will be damaged by Registration No. 3602009, and hereby Petitions to cancel same. To the best of Petitioner's knowledge, the name and address of the current owner of the registration is: Michael James, LLC d/b/a Pineridge Coach Works, 5360 Jaeger Road, Naples, Florida 34109.

The grounds for cancellation are as follows:

1. Petitioner seeks cancellation of said trademark pursuant to 15 U.S.C.A. §1064.
2. Said trademark registration is for "PINERIDGE COACH WORKS." The Examining Attorney for Respondent's said trademark application with the USPTO required Respondent to disclaim rights to COACH WORKS, finding that it was purely

descriptive and not entitled to trademark protection. Thus, the only part of Respondent's trademark given protection is the term "PINERIDGE".

I. Cancellation Based on Fraud Pursuant to 15 U.S.C.A. §1064

3. As grounds of this Petition, it is alleged that Respondent's registration was obtained fraudulently in that Respondent falsely represented (1) that it had exclusive rights to register and use the term "PINERIDGE" and (2) that the term "PINERIDGE" had no geographical connotation.

4. The statements within Respondent's Application were false since (1) PINERIDGE is a geographically descriptive term which describes a neighborhood and a main highway in Naples, Florida where several hundred if not thousands of business incorporate the term "Pine Ridge" to describe their location; and (2) Petitioner was using the "PINE RIDGE" mark in connection with the same services offered by Respondent at the time this application was filed, and Respondent was patently aware of Petitioner, as Petitioner was using this mark in commerce at the business directly *next door* to Respondent.

5. First, Respondent submitted in response to an office action issued by the examining attorney for Respondent's said trademark application that the term "Pineridge" did not describe a geographic area. *See* Composite Exhibit "A".

6. However, Pine Ridge is a popular geographic area, where Petitioner and Respondent's businesses are located, in Naples, Florida. There is no reasonable explanation for Respondent's denial of the fact that PINERIDGE is a geographic term that describes a geographic location. For Respondent to represent such while operating a business in this location, near the "Pine Ridge" road, which likely coined the entire area's

name, is nothing short of a deliberate misrepresentation. Simply driving down the main thoroughfare "Pine Ridge Road" and other connecting roads in this area one will clearly see the term "Pine Ridge" used extensively on several business signs. *See* Exhibit "B". In fact, both Pine Ridge Imports and Pineridge Coach Works are located on Jaeger Road, a small dead-end road running perpendicular from **Pine Ridge** Road, which is a major thoroughfare through Naples, Florida. Attached as Exhibit "C" is a map of the area where both stores are located.

7. Moreover, the previous owner of Pineridge Coach Works, from whom the Respondent purchased the business, testified under oath on March 30, 2010 (see attached Exhibit "D" – Depos. of Joseph Craciun¹, page 51), that he selected the name "Pine Ridge" because of Pine Ridge Road.

Page 51:

14 Q Why did you use the word "Pine Ridge"?

15 A Why?

16 Q Yes.

17 A I liked the name. It was Pine Ridge Road.

18 Q So it was associated with Pine Ridge Road?

19 A Yes.

8. Additionally, Pine Ridge is a census-designated place totaling approximately 25.2 square miles and containing close to 5,490 people as of the 2000 census. A copy of the Wikipedia article and 2000 Census Profile for Pine Ridge, Florida

¹ The deposition of Joseph Craciun was noticed and conducted in Case No. 2:08-cv-00716-CEH-SPC Michael James, LLC v. Pine Ridge Imports of Naples, Inc. et al., pending in United States District Court Florida Middle District, Fort Myers Division.

is attached hereto as Composite Exhibit "E." The Pine Ridge area is adjacent to the Petitioner and Respondent's storefronts.

9. Furthermore, there are several uses of the term "Pine Ridge" by schools and many local businesses in or near Pine Ridge, Florida using the geographically descriptive term Pine Ridge in their business names. For example, the online white pages lists the following in addition to Petitioner and Respondent's business names: Pine Ridge Chevron; Pine Ridge Farm; Pine Ridge Hairstyling; Pine Ridge Crossings Shopping; Pine Ridge Dental Office; Goodlette Pine Ridge, LLC; Pine Ridge Middle School; Pine Ridge Custom Cavas; Pine Ridge Mini Storage; Pine Ridge Pawn and Jewelry; North Naples Pine Ridge Self Storage; Pine Ridge Chiropractor Clinic; Pine Ridge Medical Group; and Pineridge & Livingston Nursery. Attached as Exhibit "B" is a copy of the online white pages search for businesses using the name Pine Ridge in the Naples, Florida area.

10. Thus, Respondent fraudulently obtained the registration for "Pineridge Coach Works", Registration No. 3602009, by representing that PINERIDGE was *not* geographically descriptive.

11 Second, pursuant to 37 C.F.R. §2.33, Respondent verified, "that to the best of the [Respondent's] knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when applied to the goods or services of the other person, to cause confusion or mistake, or to deceive; and that the facts set forth in the application are true." *See* Composite Exhibit "A" Respondent's Trademark Application. At the time Respondent filed its application for "PINERIDGE COACH WORKS" in 2008, it knew that Petitioner was using the mark "Pine Ridge Imports" and "Pine Ridge Imports of Naples, Inc." in United

States commerce since the Petitioner was operating NEXT DOOR to Respondent at 5340 Jaeger Road, Naples, Florida. Respondent's place of business, as represented in its trademark application, is 5360 Jaeger Road, Naples, Florida. In order to reach Respondent's business *it is necessary to drive past Petitioner's place of business* located at 5340 Jaegar Road. Moreover, Petitioner conducted business in its current location before Pineridge Coach Works opened, thus was a prior user of the term "Pine Ridge" and at the time Respondent opened its business it was aware of Petitioner's operation of Pine Ridge Imports next door. Thus, not only is the term "Pine Ridge" geographically descriptive, but Petitioner first used the term and was in operation prior to Respondent's opening of Coach Works, which was directly adjacent to it. In other words, Respondent purchased the business directly next door to Petitioner, who was using the term "Pine Ridge" at the time of Respondent's purchase, and then filed for a trademark registration and falsely represented there were no other uses of the term "Pineridge".

12. Furthermore, the fact that Respondent knew of other uses of the term Pineridge at the time of the filing of said trademark application is supported by the testimony of Joseph Craciun, from whom Petitioner purchased Pine Ridge Imports. During his deposition, Mr. Craciun testified that certain letters received from Petitioner to Mr. Craciun and to Mr. Craciun's attorney Peter Flood were presented to Respondent and that Respondent was aware of Petitioner's objection to his use of "Pine Ridge" for operation of an automobile repair shop at 5360 Jaegar Road. *See Exhibit "D" Depos. of Joseph Craciun, pages 105-106:*

Page 105:

21 Q Do you recall if you gave him a copy of the

22 letters from Bravieri to you and Mr. Flood, which has
23 been marked a Plaintiff's Exhibit 6?

24 MS. WHITE LAW: Objection. The question said
25 "letters." Is the question going to all the letters?

Page 106:

1 MS. SERAFINI: Yes.

2 MS. WHITE LAW: Of the eight-page Exhibit 6?

3 MS. SERAFINI: That's a question?

4 MS. WHITE LAW: Yes. You're referring to the
5 eight-page Exhibit 6?

6 MS. SERAFINI: Yes.

7 THE WITNESS: Yes. He was aware of this, and
8 it was me and Mr. Bravieri. That's not concerning
9 him.

Clearly, at the time Respondent filed its trademark application in 2008 for the instant disputed trademark, it knew of Petitioner's objection to its use of such mark and of Petitioner's prior use of that term. Thus, the representations made by Respondent in its trademark application were fraudulent.

13. Therefore, Respondent's statement that no other party has the right to use the mark in commerce at the time the application was filed was a fraud on the USPTO.

14. The above-referenced statements in Respondent's Trademark Application file were made by an authorized agent of Respondent with the knowledge and belief that said statements were false.

15. Moreover, said false statement was made with the intent to induce authorized agents of the U.S. Patent and Trademark Office to grant said registration, and, reasonably relying upon the truth of said false statements, the U.S. Patent and Trademark Office did, in fact, accept Respondent's Application.

16. Petitioner was damaged by said false statements and the registration issued in reliance thereon in that Petitioner, through its predecessors in interest, since 1995 has continuously used the marks "Pine Ridge Imports" and "Pine Ridge Imports of Naples, Inc." in connection with automobile repair services, and Petitioner's continued and legal use of their business name will be impaired by the continued registration of said mark of Respondent.

17. Moreover, Petitioner will be harmed by the continued registration of "Pineridge Coach Works" since the registration grants a presumption of rights in and to the name "Pine Ridge" on Respondent in connection with automobile repair services.

18. As a result, Petitioner believes that it will be damaged by the continued registration of the mark at issue. Therefore, Petitioner seeks cancellation of said trademark pursuant to 15 USCA §1064 based on Registrant's fraud upon the USPTO.

II. Cancellation Based on Geographic Descriptiveness

19. Petitioner reasserts paragraphs 6 – 9 above, which clearly show that Pine Ridge is a geographic neighborhood in the Naples, Florida area.

20. As stated above, the Examining Attorney for Respondent's said trademark application with the USPTO required Respondent to disclaim rights to COACH WORKS, finding that it was purely descriptive and not entitled to trademark protection. Thus, the only part of Respondent's trademark given protection is the term "PINERIDGE".

21. The trademark registration was granted only based on Respondent's false statement of fact that PINERIDGE did not represent a geographic place.

22. As a result, since Pine Ridge is a geographic area, Respondent's mark for Pineridge Coach Works (which disclaims all rights to the terms Coach Works) is not entitled to trademark protection.

23. Petitioner believes that it will be damaged by the continued registration of the mark at issue. Therefore, Petitioner seeks cancellation of said trademark pursuant to 15 USCA §1064 since the mark is entirely geographically descriptive of the area in which Respondent conducts business.

III. Cancellation based on Prior Use

24. Petitioner also moves to cancel said trademark registration on the grounds that Petitioner was using a similar mark in commerce for automobile repair services prior to Respondent's use of the said trademark and prior to Respondent's filing of the said trademark application.

25. Specifically, Petitioner under the names Pine Ridge Imports and Pine Ridge Imports of Naples, Inc. has offered high quality automotive maintenance and auto body repair services to the Naples, Florida community continuously at 5340 Jaeger Road, Naples, Florida since its incorporation in 1995 by and through its successor in interest, the previous owner, Joseph Craciun ("Craciun"). Attached as Composite Exhibit "F" is the Florida Department of State, Division of Corporations filings indicating that Pine Ridge Imports, Inc. was incorporated on November 8, 1995 and its annual reports for 1996 through 2002.

26. Years prior to the time Respondent alleges it began use of the term "Pine Ridge" in 2004 for auto body repair services, between 1995 and 2002, Pine Ridge Imports established a strong customer base and a reputation in the community for providing quality automobile repair services including body repair services under the terms "Pine Ridge" and "Pine Ridge Imports". Attached as Exhibit "G" are estimates for automobile body repair work in 2002 through Pine Ridge Imports, Inc., when it was owned by Joseph Craciun.

27. In addition, Petitioner reasserts Paragraph 12 above which quotes deposition testimony of Craciun establishing that the Respondent knew of Petitioner's objection to their use of the term "Pine Ridge" prior to the time of the filing of Respondent's trademark application on August 27, 2008.

28. Moreover, prior to purchasing the Pine Ridge Imports business, the current owners incorporated Pine Ridge Imports of Naples, Inc. Attached as Composite Exhibit "H" is the Florida Department of State, Division of Corporations filings, Articles of Incorporation indicating that Pine Ridge Imports of Naples, Inc. was incorporated on March 18, 2002 and its annual reports from 2002 through the present.

29. Thus, prior to Respondent's alleged use of the term "Pine Ridge" for auto body repair services in 2004 as set forth in Respondent's trademark application, on or around April 29, 2002, the current owners purchased the Pine Ridge Imports business from Joseph Craciun, including all then-existing business assets, goodwill, rights to the business' name, and customer lists. The business included general automobile repair services including auto body repair services. A copy of the Bill of Sale Absolute of Pine Ridge Imports Inc. is attached hereto as Exhibit "I". That document clearly evidences

Petitioner's purchase of the tradename "Pine Ridge Imports" and thus establishes Petitioner as the prior user of "Pine Ridge" for automobile repair services.

30. This is further established by testimony of Joseph Craciun. See Exhibit "D" Depos. of Joseph Craciun, pages 63-66

Page 63:

21 Q Okay. Now, was the sale of Pine Ridge Imports
22 to the Bravieris before or after you opened up
23 Coachworks?

24 A The sale to Mr. Bravieri was after I had the
25 business registered and incorporated.

Page 64:

1 Q Was it before or after you started operations at
2 Coachworks?

3 A It was before the operation.

Page 65:

20 Q [By Mr. Larsen] So, once again, the question
21 is: Did you sell the name Pine Ridge Imports to the
22 Bravieris?

23 A Yes, sir.

24 Q All right. Was there any restrictions placed on
25 their use of the name Pine Ridge Imports?

Page 66:

1 A No.

31. After the purchase of Pine Ridge Imports from Craciun, the current owners continued to operate the business under the already established name of Pine Ridge Imports so as to capitalize on the already established goodwill and customer base purchased from Cracian. Attached as Exhibit "J" is a copy of the Purchase and Sale Contract for the business, with an Addendum thereto which specifically references the sale of the tradename. Since their purchase of Pine Ridge Imports, Inc., the current owners have increased their customer base by continuing to provide high quality services and through extensive advertising which has included, as demonstrated by the exhibits attached hereto, automobile repair services including automobile body repair services.

32. Respondent began using the term "Pine Ridge" on February 18, 2004 as set forth in Plaintiff's trademark registration, in which its first use of the term "Pine Ridge" is established. *See* Composite Exhibit "A."

33. Petitioner is likely to be damaged by continuance of said registration in that Petitioner, through its predecessor in interest, since 1995 has continuously used the mark "Pine Ridge Imports" in connection with automobile repair services, and Petitioner's continued and legal use of said mark will be impaired by the continued registration of said mark of Respondent.

34. As a result, Petitioner believes that it will be damaged by the continued registration of the mark at issue. Therefore, Petitioner seeks cancellation of said trademark pursuant to 15 USCA §1064 based on Petitioner's prior use of the "PINE RIDGE" mark for automobile repair services in United States commerce.

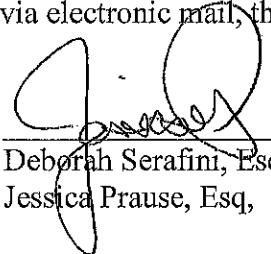

WHEREFORE, Petitioner respectfully requests that Registration No. 3602009 be cancelled and that this Petition for Cancellation be sustained in favor of Petitioner.

DISCLAIMER

Applicant must insert a disclaimer of COACH WORKS in the application because it is merely descriptive the purpose, feature, function or use of the applicant's services which work on vehicles. *See* 15 U.S.C. §1056(a); TMEP §§1213, 1213.03(a). *See* attached dictionary definitions.

work HEAR (wûrk) [Pronunciation Key](#)

The transfer of energy from one object to another, especially in order to make the second object move in a certain direction. Work is equal to the amount of force multiplied by the distance over which it is applied. If a force of 10 newtons, for example, is applied over a distance of 3 meters, the work is equal to 30 newtons per meter, or 30 joules. The unit for measuring work is the same as that for energy in any system of units, since work is simply a transfer of energy. Compare [energy](#), [power](#).

Subject: Notice of Pseudo Mark for Serial Number: 77557199

**ATTORNEY REFERENCE
NUMBER:**

The USPTO may assign pseudo marks, as appropriate, to new applications to assist in searching the USPTO database for conflicting marks. They have no legal significance and will not appear on the registration certificate. A PSEUDO MARK may be assigned to marks that include words, numbers, compound words, symbols, or acronyms that can have alternative spellings or meanings. For example, if the mark comprises the words 'YOU ARE' surrounded by a design of a box, the pseudo mark field in the USPTO database would display the mark as 'YOU ARE SQUARE'. A mark filed as 'URGR8' would receive a pseudo mark of 'YOU ARE GREAT'. Response to this notice is not required; however, to suggest additions or changes to the pseudo mark assigned to your mark, please e-mail TMDesignCodeComments@USPTO.GOV. You **must** reference your application serial number within your request. The USPTO will review the proposal and update the record, if appropriate. For questions, please call 1-800-786-9199 to speak to a Customer Service representative. The USPTO will not send any further response to your e-mail. Check TESS in approximately two weeks to see if the requested changes have been entered. Requests deemed unnecessary or inappropriate will not be entered. **Pseudo marks assigned to the referenced serial number are listed below.**

DEPOSITION OF

Upon oral examination, taken by counsel for
plaintiff on March 30, 2010, commencing at 10:15 a.m.,
at Collier Court Reporting, 3447 Pine Ridge Road, Suite
102, Naples, Florida, before Robin L. Deal, Court
Reporter and Notary Public, State of Florida at Large.

1 I understand that basically you originally
2 operated under the name Pine Ridge Imports; is that
3 correct?

4 A Yes.

5 Q Okay. When did you start up that business?

6 A To the best of my knowledge, it was in December
7 of 2005. Pine Ridge Imports?

8 Q Yes.

9 A Yes.

10 Q 2005?

11 A I'm sorry, 1995.

12 Q That sounds a little bit better. We wouldn't be
13 here today if it was in 2005. Okay.

14 Why did you use the word "Pine Ridge"?

15 A Why?

16 Q Yes.

17 A I liked the name. It was Pine Ridge Road.

18 Q So it was associated with Pine Ridge Road?

19 A Yes.

20 Q Where was it at? Where was the facility
21 exactly? What street was it on?

22 A It was on Jaeger Road.

23 Q Jaeger Road. Is Jaeger a dead-end street?

24 A Yes, it is.

25 Q Is it a very long street?

1 MS. SERAFINI: Yes.

2 MS. WHITELOW: Of the eight-page Exhibit 6?

3 MS. SERAFINI: That's a question?

4 MS. WHITELOW: Yes. You're referring to the
5 eight-page Exhibit 6?

6 MS. SERAFINI: Yes.

7 THE WITNESS: Yes. He was aware of this, and
8 it was me and Mr. Bravieri. That's not concerning
9 him.

10 Q [By Ms. Serafini] Okay.

11 A He is not doing mechanical work. He is doing
12 body work so --

13 Q I know. That's not my question. That's not my
14 question.

15 A All right.

16 Q My question is simply: Was he aware of these
17 letters? Did you make Mr. Bauer aware of these letters?

18 A Yes, he was.

19 Q Okay. Why didn't you seek to register the name
20 Pine Ridge Coachworks?

21 A I'm sorry?

22 Q Why didn't you seek to register the name Pine
23 Ridge Coachworks as a trademark?

24 MS. WHITELOW: Objection.

25 THE WITNESS: That was not -- that was my

1 decision. I didn't see a need for that.

2 Q [By Ms. Serafini] Okay.

3 A As a matter of fact, they're suing for a
4 trademark, not for business -- for signage. I don't
5 know why I'm in this battle here. I don't have a dog in
6 this fight. You guys are fighting. Resolve your issues
7 with the signage, the trees -- with the trademark name.

8 I sold the business. He was aware of what he
9 bought, mechanical repair. It said in the Non-Compete
10 that I'm not allowed to do mechanical next door, but the
11 body work was allowed. He understands very clearly of
12 his rights and my rights.

13 He had no issue until I sold the body shop, and
14 now all of a sudden there's no more understanding. I
15 remember and understand, but he's brought up all of this
16 thing from the past. I mean, we are executives; we're
17 business owners and lawyers. We should be a bit
18 brighter than a regular... It seems like we're dealing
19 with people that have no common sense. I'm sorry, but
20 this is the way I see it.

21 Q Do you see the lawsuit as not having common
22 sense?

23 A Well, not involving me.

24 Q Okay.

25 A I shouldn't be here.

1 Q Was it before or after you started operations at
2 Coachworks?

3 A It was before the operation.

4 Q And, I assume, that means before you started any
5 business in regard to either body repair or mechanical
6 work at Coachworks?

7 MS. WHITELOW: Objection.

8 THE WITNESS: There was no mechanical done
9 there, only body work.

10 Q [By Mr. Larsen] Okay. Now, did there come a
11 point when you hired Joe Bronchak to work in Coachworks?

12 A Yes, I did hire him. Mr. Joe Bronchak and
13 Kevin.

14 Q Okay. And how long did that relationship last?

15 A I can't recall.

16 Q Was it a short period of time or a lengthy
17 period of time?

18 A It was short, less than a year.

19 Q Now, during that period of time when Coachworks
20 was operating, was Pine Ridge Imports at the very
21 beginning still subcontracting out body work to the
22 Bronchaks?

23 A No. They were subletting it to us, to Pine
24 Ridge Coachworks.

25 Q Okay.

1 A If anything was done without my knowledge, I
2 don't have that.

3 Q Okay. When you sold Pine Ridge Imports, the
4 business, to the Bravieris did you also sell the name
5 "Pine Ridge Imports"?

6 A It's in the documents.

7 Q Okay. I will show you what has been previously
8 marked as Plaintiff's Exhibit 2. Is that the document
9 you're speaking of?

10 MS. WHITELAW: Can you hold on a second so we
11 get whatever you're talking about in front of us?

12 MR. LARSEN: Sure.

13 MR. THOMPSON: Which document is it?

14 MR. FLOOD: It's the Bill of Sale.

15 THE WITNESS: Yes.

16 MS. WHITELAW: Do you guys have our copies up
17 there?

18 MR. LARSEN: We have the originals.

19 MS. WHITELAW: Okay.

20 Q [By Mr. Larsen] So, once again, the question
21 is: Did you sell the name Pine Ridge Imports to the
22 Bravieris?

23 A Yes, sir.

24 Q All right. Was there any restrictions placed on
25 their use of the name Pine Ridge Imports?

1 A No.

2 Q Okay. When you sold --

3 MR. THOMPSON: Object to the form.

4 MS. WHITELAW: Object to the form.

5 MR. THOMPSON: I apologize for the belated
6 objection.

7 MR. LARSEN: Object to the form of?

8 MR. THOMPSON: I object to the form of the
9 question. You asked him for a legal conclusion
10 regarding what that meant in the document.

11 MS. WHITELAW: Okay. And I was objecting to
12 this question that was just now coming out of your
13 mouth. So those are two different objections.

14 Q [By Mr. Larsen] When you sold Pine Ridge
15 Imports to the Bravieris, was there any restriction
16 placed upon them in any of these documents that you
17 signed that restricted them from doing body repair work?

18 MR. THOMPSON: Object to the form.

19 MS. WHITELAW: Again, the objection.

20 Q [By Mr. Larsen] Could you repeat your answer,
21 please?

22 A No. There was not no restriction.

23 Q When you sold the business, Pine Ridge Imports,
24 to the Bravieris was there any restriction placed upon
25 them from subcontracting out any body repair work to Joe

1 Bronchak, Kevin Bronchak, or J&K SW FL Enterprises?

2 MR. THOMPSON: Same objection. Form.

3 MS. WHITELOW: Same objection.

4 THE WITNESS: No. There was not any
5 restrictions because they did the same from what I
6 did --

7 Q [By Mr. Larsen] Okay.

8 A -- about the business. It was the same
9 following the repair that I did.

10 Q Okay. Now, you named your other business Pine
11 Ridge Coachworks, correct?

12 A Yes.

13 Q Where did you get the name or the word
14 "Coachworks"?

15 A Well, the name is referring to the body of the
16 car, the coach.

17 Q Were you familiar with a company operating in
18 Naples at that time called Kramer's Coachworks?

19 A I used to sublet to them all of the work before
20 I met the Bronchaks, as a matter of fact.

21 Q Did you adopt the words Coachworks from what was
22 their use?

23 A Yes.

24 Q The words Pine Ridge in Pine Ridge Coachworks,
25 is that also related to Pine Ridge Road?

Peter T. Flood
Attorney At Law

May 6, 2004

Dear Mr. Flood,

Mr. Craciun just today provided me with your letter dated March 10, 2004.

In regards to the parking, I spoke to the adjacent tenant. He and I were very upset to discover that prior to his closing on the business, Mr. Craciun did not inform him of the parking clause in the lease nor did he inform him of any restrictions on the use of the property due to my lease. The neighbor and I each have a lease contract with Mr. Craciun, who owns both properties. There is no agreement between adjacent business owners.

In regards to the use restrictions, paragraph 2 of the lease clearly prohibits vehicle repairs on the adjacent property. The word "mechanics" that you incorporated in your letter is not in the lease and I never intended it to be in the lease. You also state in your letter that the "collision shop has been established and operating for well over two years." This is incorrect also. The shop opened in early 2003 and I immediately objected. Mr. Craciun ignored these objections in the same fashion that your letter was not provided to me until I wrote him two additional times. His shop also closed or at least appeared closed (no cars, no employee cars, doors closed) shortly after opening.

Semantics, such as "Body Shop" or "Collision Shop" do not change the fact that the repair work is being done on vehicles, and repair work on vehicles is prohibited.

In regards to your last paragraph, I have been soliciting and performing body repair work for a year, with no objections from Mr. Craciun. This work is done on vehicles, thus it is allowable under my lease, however this point does not need to be addressed as the work is not done at 5340 Jaeger. All work is performed at an entirely separate location. The vehicle repair shop next door is in direct competition with me. The avoidance of such a situation is precisely why I incorporated the restrictions into the lease.

Sincerely,

Richard E. Bravieri

Joe,

As you requested, I contacted Mr. Flood via letter. It has been three weeks now and I have not heard back from him or from you. Could you please contact me or have Mr. Flood contact me this first week of June.

Dear Joe,

I have written you several times over the past months and have also written your attorney, Mr. Flood concerning your violation of our lease. All of these letters have been ignored, as I have not received any response or corrective action.

I have tried to avoid pursuing this in a more formal and expensive fashion but apparently this is the route you prefer.

Mr. Joseph Craciun

Naples, Florida 34109

Dear Joe,

I have contacted you numerous times for nearly a year concerning our lease agreement. The agreement provides for parking on your adjacent property, as space is available. As of this afternoon there are thirteen empty spaces but the adjacent tenant will not allow use of even one space. Since my lease calls for the use of some of this unused space please either immediately remedy this or at your expense lease other space on the block for my employees to park.

The lease agreement prohibits any type of vehicle repair being conducted on the adjacent property. This prohibition is not limited to mechanical repair, it prohibits any and all vehicle repair. If the parking space issue is not resolved quickly I will be forced to pursue this issue as well.

Time is of the essence. If I have not heard from you by Nov. 24, 2004 I will assume that I need to take another course of action.

Richard E. Bravieri
Owner, Pine Ridge Imports of Naples

Joe,

I have written to you several times and spoke to you in person regarding our lease agreement but no response or action has come from you.

Months ago you asked me to contact your attorney. I wrote and called but no response came from him either.

The situation has not changed and will not change unless you do something about it. I cannot resolve this with your other tenant. Both my lease and his are with you. The tenant and I have no contract with each other.

If you continue to ignore me and force me to begin litigation to resolve this it will be expensive for both of us. Once I have invested money in this process there will be no turning back. The prior letters including the attached letter of Nov. 9 and this note are a request for you to resolve this before reaching this threshold.

26. ENVIRONMENTAL It is essential that all parties to real estate transactions be aware of the health, liability and economics of environmental factors on real estate. Broker does not conduct investigations or analysis of environmental matters and, accordingly urges its clients to retain qualified environmental professionals to determine whether hazardous or toxic wastes or substances (such as asbestos, PCB's and other contaminants or petrochemical products stored in underground tanks) or other undesirable materials or conditions are present at the property and, if so, whether any health danger or other liability may exist. Consequently, legal counsel and technical experts should be consulted where these substances are or may be present.

27. RADON GAS Notice to Prospective Purchaser/Tenant "Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit." Pursuant to 404.056(8), Florida Statutes.
